Directive 56. Rate Reduction for Persons Over Fifty-Five (Revised)

Issued: December 20, 2004

This is to revise the text of Directive 56 in its entirety.

Acts 2004, No. 239 of the Regular Session of the Louisiana Legislature pertains to a rate reduction for persons fifty-five years of age or older.

All companies authorized to transact automobile liability and automobile physical damage insurance in this state are directed to:

- I. recognize the requirements of law relative to rate reductions for persons fifty-five years of age or older in future rate filings,**
- II. implement the relevant provisions included at LRS 22:1404, recent amendments under Acts 2004, No. 239 and all subsequent provisions, and**
- III. cooperate with the Louisiana Department of Public Safety and Corrections in the approval of and certification of defensive driving courses.**
